Below is the standard freight routings. Please coordinate all expedites, express freight and ocean shipments with Celestica Monterrey logistics contacts.

\* All international FedEx shipments must be delivered direct to Monterrey. Please see instructions on page 3.

AIR shipment weights are based on chargeable weights (max of dimm weight and actual weight) when determining mode of transportation.

Any deviation from the standard routing requires a Premium Authorization Number with the paperwork, or the supplier will be charged back for the upgrade in service.
